

Call for Sponsors

We want to make sure that SIGDIAL 2024, which will be held in Kyoto University, Kyoto, Japan on 18-20 September, is another successful event! We are looking for sponsors, large and small, to support the conference.

The SIGDIAL venue provides a regular forum for the presentation of cutting edge research in discourse and dialogue to both academic and industry researchers. The conference is sponsored by the SIGdial organization, which serves as the Special Interest Group in discourse and dialogue for both ACL and ISCA. The next conference marks 25th anniversary of SIGDIAL conference.

The event is currently being planned for a physical conference, and we will see whether there is an option to watch live streams depending on circumstances.

More information shall appear on the SIGDIAL 2024 website (<https://2024.sigdial.org/>).
